

Ciao, and welcome to La Foresta Restaurant and Wine Bar in Killingworth, Connecticut. The beautiful establishment that surrounds you is the result of a long time dream of mine that has become a reality, and the magnificent book that you have just opened is my hand picked selection of some of the best wines in the world. I have personally tasted every wonderful wine on this list, and regardless of your budget, I have included something for everyone ranging between twenty-eight dollars and seven thousand nine hundred and ninety-nine dollars per bottle. Whatever you choose to indulge in, rest assured that we have the perfect wine to pair with it; I invite you to ask for assistance in selecting a wine should you feel the need. That being said, I truly hope that you enjoy your journey through food and wine here at La Foresta as much as I do.

Buon Appetito,

Francesco Lulaj
